### **IT Vendors Providing Premier Federal Solutions Honored at *Government Solution Summit 2003* Event**

BEDFORD, N.H., December 15, 2003 — Leading information technology vendors offering important and innovative solutions for the federal government were recognized for their achievements at the inaugural *Government Solution Summit 2003* event, held December 3-5 at the Hyatt Regency Grand Cypress in Orlando, Florida.

Vendors were honored in the categories of Best Government Vendor, Solution, Channel Strategy, and Presentation during the *Government Solution Summit Awards* reception.

The vendor award winners were voted on by the pre-qualified audience of federal IT Solution Providers invited to attend *Government Solution Summit* to preview and learn about new technologies, products and services for the federal IT marketplace, as well as explore potential partnership opportunities with vendors at the event's Boardroom Appointments, One-on-One meetings and networking functions.

"These awards reflect the momentum and market growth that is happening in the federal IT space right now," said Dennis Masella. "The *Government Solution Summit Awards* are particularly notable because nominees and winners are recognized by the country's foremost federal Solution Providers."

The nominees and winners of the "Best of *Government Solution Summit Awards*" for 2003 include:
