

WHAT A DIFFERENCE A DAY MAKES

Your Day at a Standard Industry Event:

- You stand in your booth, waiting and hoping that the right prospects come by.
- Your business interaction with attendees – many of whom are unqualified – is hit or miss.
- Your networking activities, if they happen at all, are haphazard and of an uneven quality.

Your Day at RetailVision:

- You hold 2 – 6 in-depth meetings with targeted groups of Retailers in Private Boardroom Appointments.
- You follow up with numerous Self-Scheduled One-on-One Meetings you can pre-schedule online or set up on-site.
- You participate in high-end, structured networking events that give you valuable access to every attending Retailer.

You Leave the Event with a full pipeline of qualified prospects
